## General Chair

Toshio Fukuda (Japan)

## General Co-chairs

Eitaro Aiyoshi (Japan)

Yasuaki Kuroe (Japan)

Katsuji Uosaki (Japan)

## Honorary Advisory Board

Fumio Harashima (Japan)

Boem Hee Lee (Korea)

Toshihiro Hirai (Japan)

## International Advisory Board

David B. Fogel (USA)

Yutaka Hata (Japan)

Kaoru Hirota (Japan)

Hisao Ishibuchi (Japan)

Xin Yao (UK)

## Program Chair

Yasufumi Takama (Japan)

## Program Co-chairs

Futoshi Kobayashi (Japan)

Hisashi Handa (Japan)

Honghai Liu (UK)

## Organizing Committee Chair

Naoyuki Kubota (Japan)

## Program Committee Members

Shigeru Aomura (Japan)

Chee Seng Chan (Malaysia)

Chen Lieu-hen (Taiwan)

Sung-Bae Cho (Korea)

Dongbing Gu (UK)

Kazunori Hase (Japan)

Botzheim Janos (Hungary)

Akira Kojima (Japan)

Yoshiyuki Matsumura (Japan)

Yasuchika Mori (Japan)

Jens Starke (Den Mark)

Indra Adji Sulistijono (Indonesia)

Boris Tudjarov (Bulgaria)

Mattias Wahde (Sweden)

M.Rahmat Widyanto (Indonesia)

Kok Wai Wong (Australia)

## Financial Chair

Yasunari Fujimoto (Japan)

## Secretary / Webmaster

Naoyuki Takesue (Japan)

## Sponsorship:

- Division of Systems and Information,  
Society of Instrument and Control Engineers,  
Japan

## Cosponsorship (tentative):

- IEEE Computational Intelligence Society  
- GCOE, Faculty of Textile Science and  
Technology, Shinshu University

The 2010 International Symposium on Intelligent Systems (iFAN 2010) will be held in Tokyo Metropolitan University, Tokyo, JAPAN on September 25 - 26, 2010, in conjunction with the 20th Anniversary of the 2010 Intelligent System Symposium. This symposium is composed of iFAN Summit 2010 and international sessions. Fundamental theories and Application Fields on intelligence are discussed by distinguished speakers in iFAN Summit 2010. Topics for contributions in the international sessions include, but may not be limited, the following researches:

Neuro-computing, Fuzzy Computing, Evolutionary Computing, Reinforcement Learning, Soft Computing, Self-organizing Systems, Complex Systems, Application to Optimization, Scheduling, Sensing and Control, Robotics, Computer Vision, Multi-agent Systems, Data Mining, Web Intelligence, Fiber Innovation, and Arts.

## Important Dates:

**April 23, 2010:**

**Deadline for OS Proposal**

**June 4, 2010:**

**Deadline for Abstract Submission**

June 18, 2010:

Acceptance Notification

July 2, 2010:

Deadline for Camera-Ready Paper Submission

## Submission:

Please refer to <http://www.sd.tmu.ac.jp/ifan2010/> for detail.

## Special issue on "FAN/iFAN2010":

We are preparing a special issue on "FAN/iFAN2010" in Journal of Advanced Computational Intelligence and Intelligent Informatics (JACIII) based on selected papers from FAN/iFAN2010.

Guest Editors: Prof. Toshio Fukuda (Nagoya Univ.) and

Assoc. Prof. Yasufumi Takama (Tokyo Metropolitan Univ.)
