

# Aknowledgements

The Journal of Disaster Research is full peer review journal. Our review process is supported by a large number of volunteer reviewers. The editorial board would like to appreciate their efforts and cooperation to maintain, to improve, and to refine the quality of the journal. We would list up the reviewers who have worked in Volume 5, in order to express our sincere gratitude for their cooperation. We would also hope their further support to our journal.

Dr. Suminao Murakami and Prof. Katsuki Takiguchi
