IJAT online submission site

All processes, including submission, selecting reviewers, reviewing, determining selections, and resubmitting and final submission by authors, editors, and reviewers, will be made online at this site.

ScholarOne Manuscripts will make it much easier for authors to submit papers and reduce the burden on editors and reviewers by making all processes more systematic and precise.

Details will be announced later on our Website at

<http://www.fujipress.jp/IJAT/index.html>

Your cooperating is, as always, most appreciated.

Thank you
